The Shoe House in the rear of the Museum symbolizes the major industry of the town for the first 150 years.

The Stoneham Historical Society is an all-volunteer nonprofit organization founded in 1922.
Our mission is:

- To study the history of the Town of Stoneham;
- To collect and preserve articles of historic interest pertaining to the town;
- To maintain a historical library and museum; and
- To establish and maintain an historic file of deeds, documents and books from the first settlement of the Town.

- Everyone is welcome to join the Stoneham Historical Society and enjoy the benefits of being a member.
- Member meetings are held at the Historical Society Museum on the second Thursday of the month in March, April, May, October and November at 7:30 PM.
- In addition to our monthly meetings, members also receive a copy of our newsletter and invitations to special events.
- The Museum collection of Stoneham related information and artifacts are available to the general public for research upon request. Members receive a reduced hourly research rate. *Please see our website for details.*
- Volunteers are always needed to work with the collection and help with the 3rd grade program in the spring.
- By joining the Stoneham Historical Society, you will be helping to preserve and present Stoneham's history. Your participation will make a real difference to our programs.
