The Shoe House at the rear of the museum recalls the major industry of Stoneham for its first 150 years.

The Stoneham Historical Society is an all-volunteer nonprofit organization founded in 1922.

Our mission is:

- To study the history of the Town of Stoneham;
- To maintain a historical library and museum;
- To collect and preserve articles of historic interest pertaining to the town; and
- To establish and maintain an historic file of deeds, documents and books from the first settlement of the town.

- Everyone is welcome to join the Stoneham Historical Society and enjoy the benefits of being a member.
- Member meetings are held at the Historical Society Museum on the second Thursday of the month in March, April, May, October and November at 7:15 PM.
- Each of our member meetings feature a special guest speaker. Members also receive a copy of our newsletter and invitations to special events.
- Our museum collection of Stoneham related information and artifacts is available for research upon request. Annual memberships include one hour of free research by our knowledgeable research team*.
- Volunteers are always needed to work with the collection and help with the 3rd grade program in the spring.
- By joining the Stoneham Historical Society, you will be helping to preserve and present Stoneham's history. Your participation will make a real difference to our programs.
